AN ISO CERTIFIED COMPANY

Medical Devices & Equipments

www.stylushealthcare.com

About us :

STYLUS HEALTHCARE is a manufacturer of infant and maternal care products and assistive devices. STYLUS has the goal of providing cost-effective and innovative neonate-care solutions. Our offered machines are carefully manufactured in tandem with the standards set by medical industry, Using high grade components and innovative technology.

We utilize current technology and techniques while carrying our entire business operations, That drive us to achieve our organization's objective of in an efficient manner.

Mission

As a manufacturer of infant and maternal care products. Our mission continues to be to provide solutions that match the best in the world at very affordable prices.

We proudly say that we have vision to deliver world class products. Make in India with dedication and ethics.

We commit to strengthen our position as a market leader through innovation and continuous improvement.

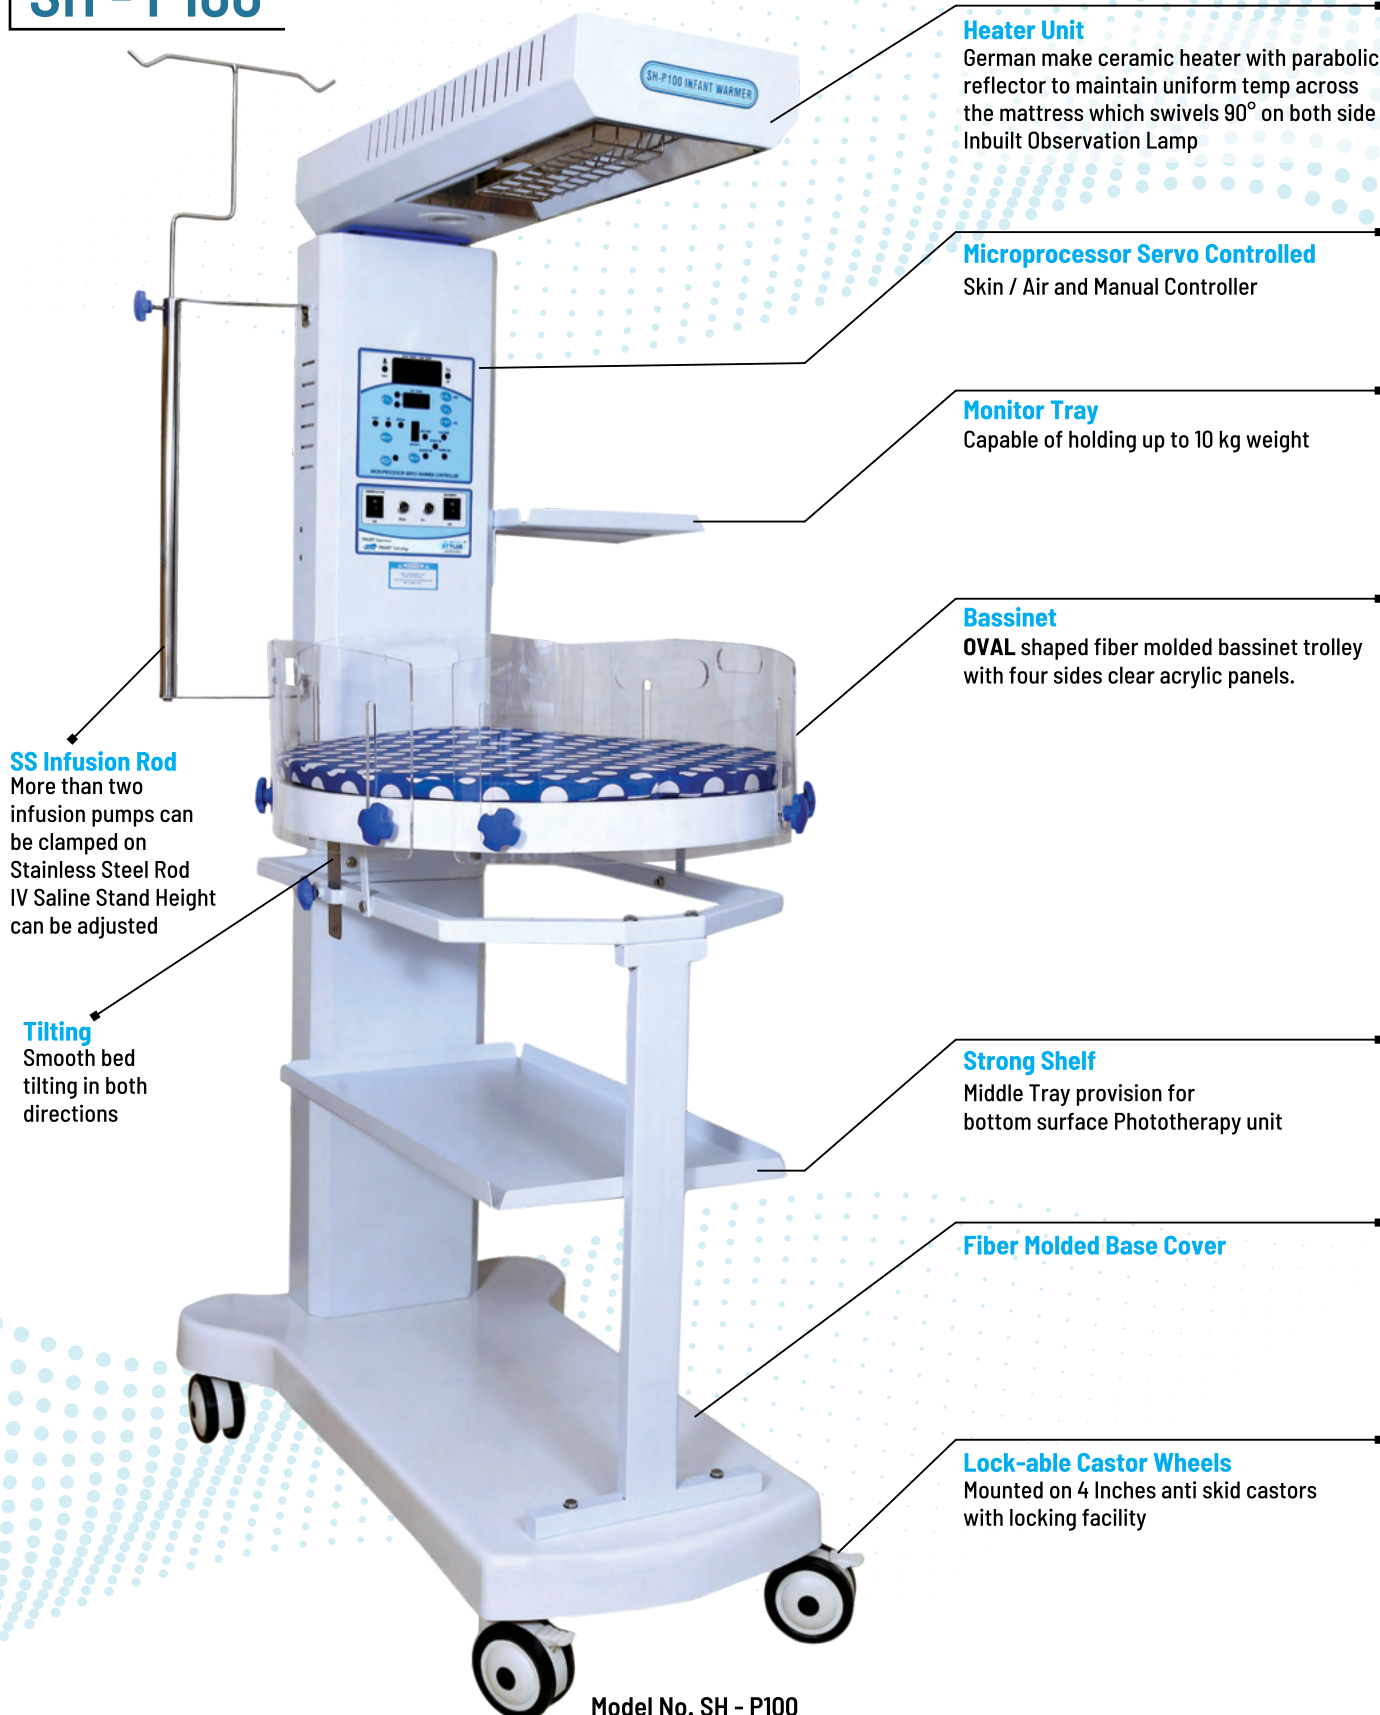

Our professional team assists you right from analyzing and choosing the right products to successful installation, training and maintenance.

Certifications

STYWARM INFANT RADIANT WARMER

SH - P100

Heater Unit

German make ceramic heater with parabolic reflector to maintain uniform temp across the mattress which swivels 90° on both side
Inbuilt Observation Lamp

Microprocessor Servo Controlled

Skin / Air and Manual Controller

Monitor Tray

Capable of holding up to 10 kg weight

Bassinet

OVAL shaped fiber molded bassinet trolley with four sides clear acrylic panels.

SS Infusion Rod

More than two infusion pumps can be clamped on Stainless Steel Rod
IV Saline Stand Height can be adjusted

Tilting

Smooth bed tilting in both directions

Strong Shelf

Middle Tray provision for bottom surface Phototherapy unit

Fiber Molded Base Cover

Lock-able Castor Wheels

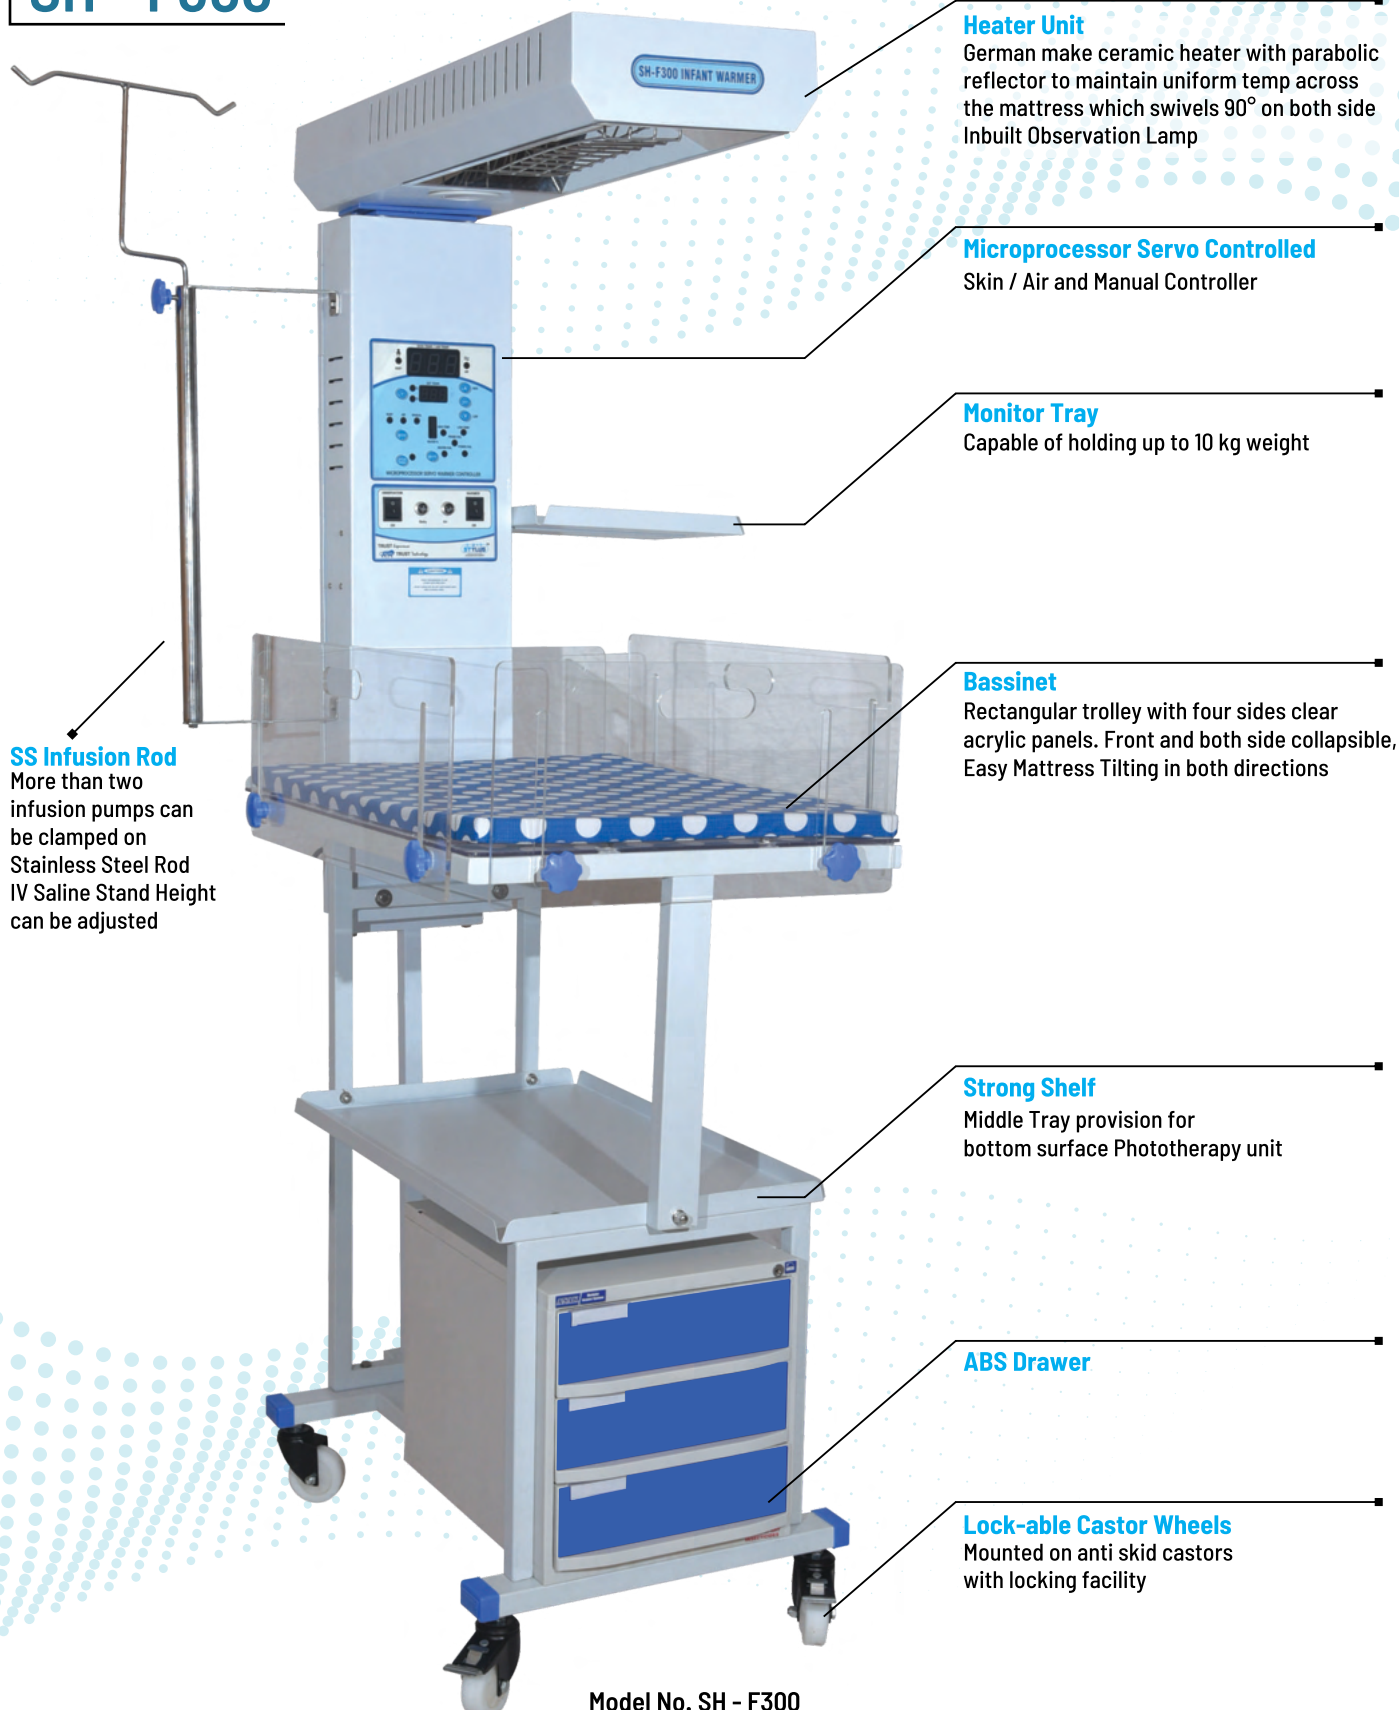

Mounted on 4 Inches anti skid castors with locking facility

Model No. SH - P100

FIXED BABY CRADLE INFANT RADIANT WARMER

STYWARM INFANT RADIANT WARMER

SH - F300

Heater Unit

German make ceramic heater with parabolic reflector to maintain uniform temp across the mattress which swivels 90° on both side
Inbuilt Observation Lamp

Microprocessor Servo Controlled

Skin / Air and Manual Controller

Monitor Tray

Capable of holding up to 10 kg weight

Bassinet

Rectangular trolley with four sides clear acrylic panels. Front and both side collapsible, Easy Mattress Tilting in both directions

SS Infusion Rod

More than two infusion pumps can be clamped on Stainless Steel Rod
IV Saline Stand Height can be adjusted

Strong Shelf

Middle Tray provision for bottom surface Phototherapy unit

ABS Drawer

Lock-able Castor Wheels

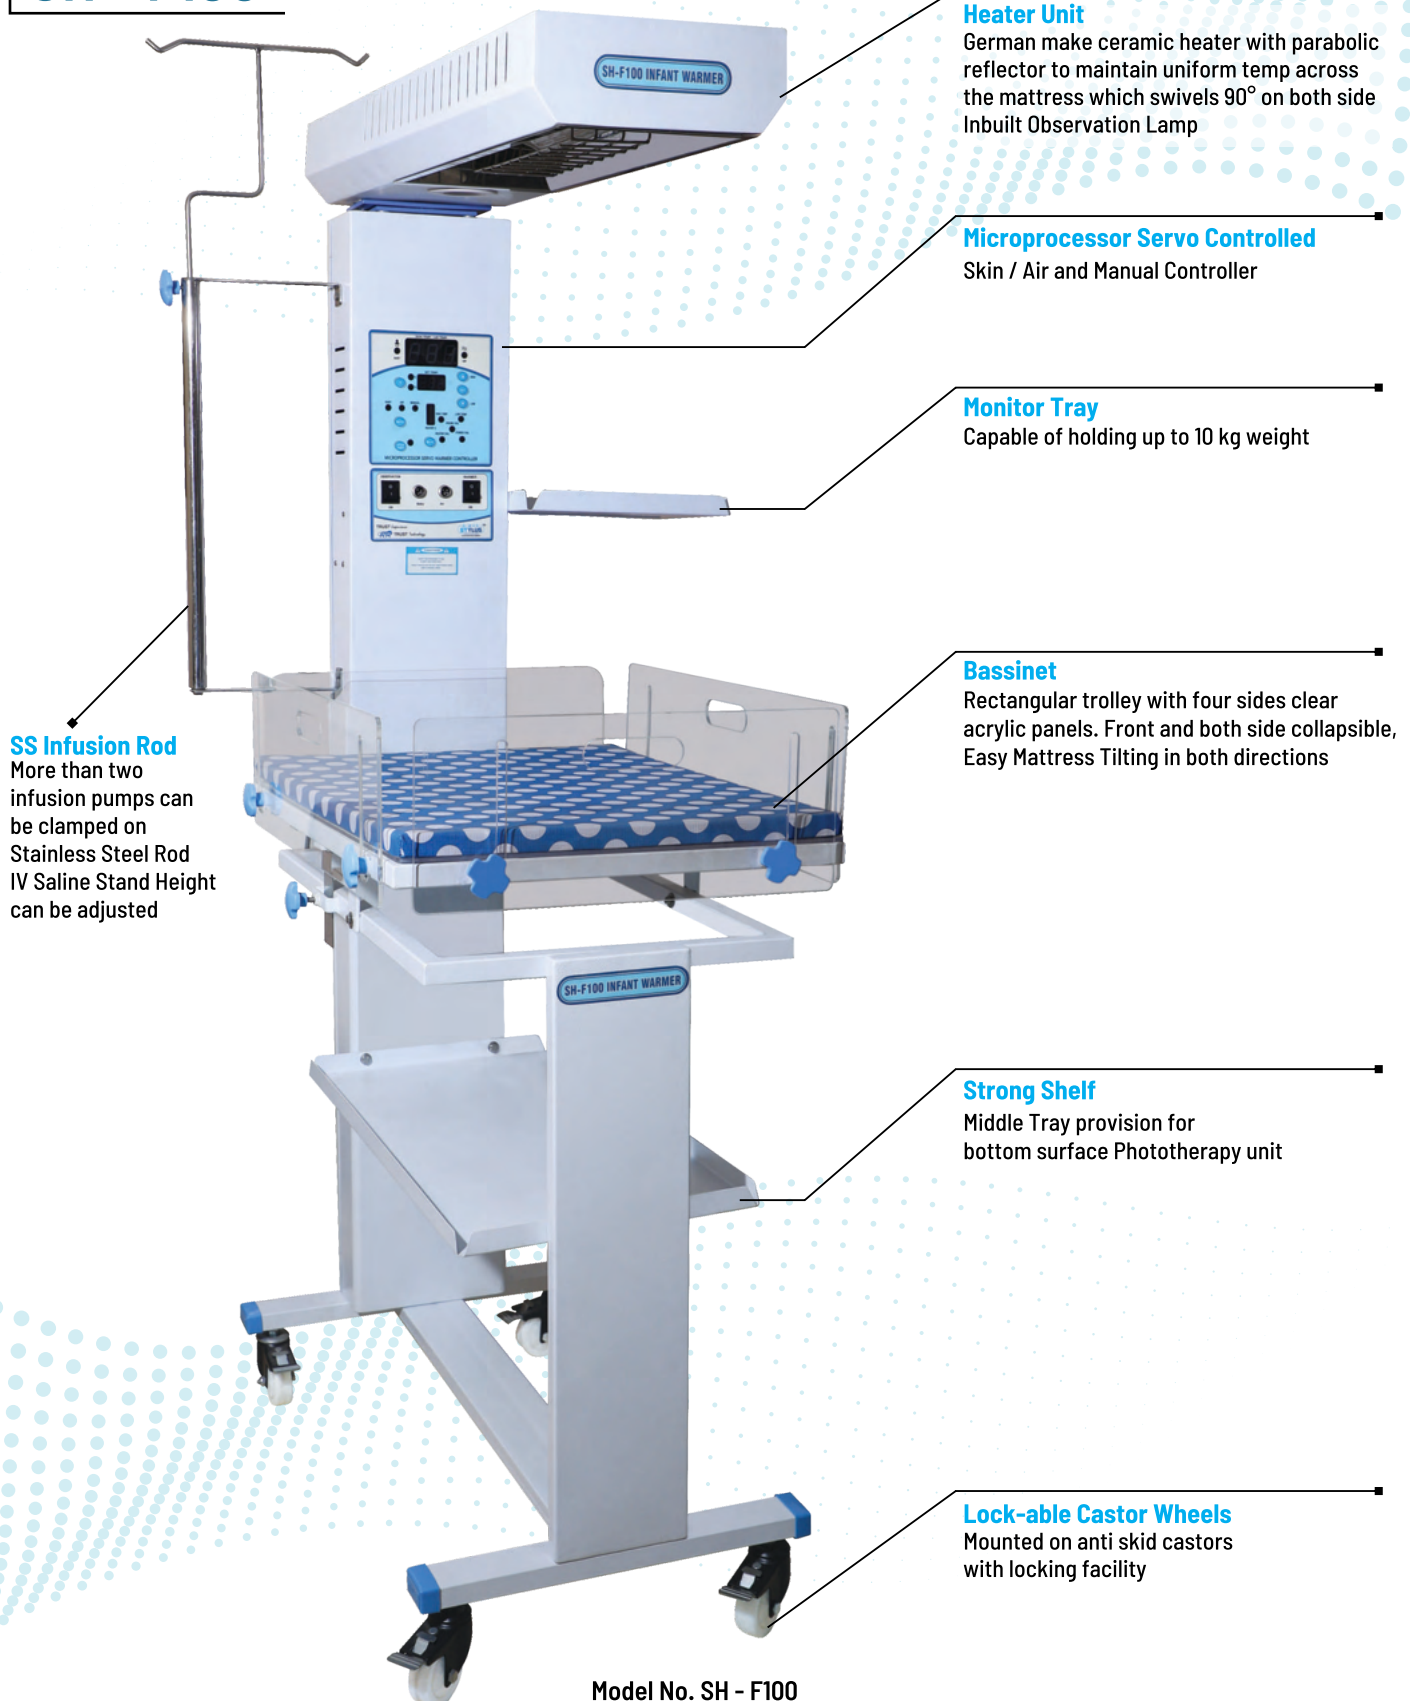

Mounted on anti skid castors with locking facility

Model No. SH - F300

FIXED BABY CRADLE AND LOWER DRAWERS INFANT RADIANT WARMER

STYWARM INFANT RADIANT WARMER

SH - F100

WALL MOUNTED INFANT RADIANT WARMER

Model No. : SH-W100

TECHNICAL SPECIFICATIONS

Dimensions

Width	: 80 cm
Depth	: 85 cm
Height	: 178 cm
Bed Size	: 54x72 cm
Monitor Tray Size	: 31 x26 cm

Features

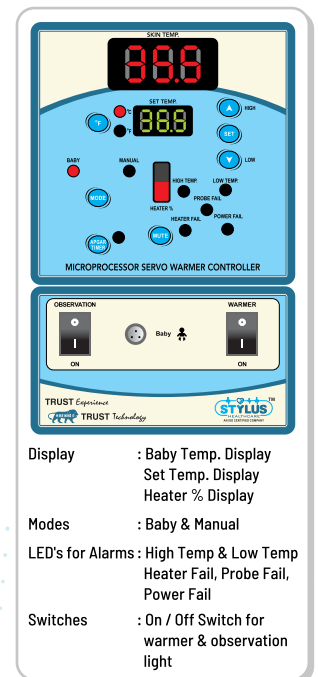

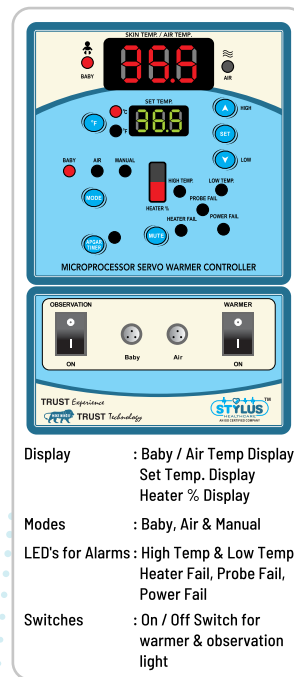

Mode	: Skin / Air and Manual
Heater	: Ceramic Heater - 650W
Heater Rotation	: ±90° on both side
Reflector	: Parabolic Reflector
Observation Lamp	: LED 6W Examination Light
Monitor Tray	: Mild Steel Powder Coated
Side Panels	: Unbreakable Clear Acrylic Panel
Wheels	: Strong Castor Wheels with two brake
Mattress	: Waterproof, Flame Resistance & Zipped Cover
Mattress Foam Density	: 21 - 25 kg/m ³
IV Pole	: Adjustable Height
Infusion Pump Stand	: Stainless Steel Rod
Temperature Sensor	: Thermistor based NTE Sensors with high resolution
Timer	: APGAR Timer

Electrical Specification

Supply Voltage	: 190V - 250V AC
Supply Frequency	: 50 - 60 Hz
Power Consumption	: 750 W
Temperature Display	: Celsius / Fahrenheit
Temperature Accuracy	: ±0.2°C
Set Temperature Range	: 30° - 40°C
Heater Output	: 0 - 100%
Modes of Operation	: Baby, Air & Manual
Manual Mode Timer	: 10 Min
Alarms	: Audio with 10min Mute & Visual

Alarms

High Temperature	: If Temp > Set Temp + 1°C
Low Temperature	: If Temp < Set Temp - 1°C
Probe Failure	: Probe Disconnection / Not Working
Power Failure	: If Power Fails
Heater Failure	: If Heater Stops working

STYLIGHT LED PHOTOTHERAPY UNIT

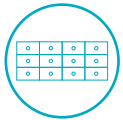

LPU 500

STYLUS HEALTHCARE's LED Phototherapy unit provide intense blue light for effective treatments of neonatal hyperbilirubinemia.

Light Source

Therapeutic high wattage blue LEDs 16 No. having wavelength of 455nm to 465nm. Life of lamps rated to last up to 40000 hours.

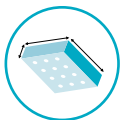

Effective Surface Area

Effective surface area is 50cm x 30cm (At recommended treatment distance of 45cm) Effective Irradiance is $> 30 \mu\text{W}/\text{cm}^2/\text{nm}$

Height Adjustability

Over surface phototherapy unit have height adjustment of up to 50cm.

Dimensions

Lamp unit dimension is 46x31x7.5cm come with heavy duty mobile stand mounted on 4 castor wheel (with Brake 2 Nos)

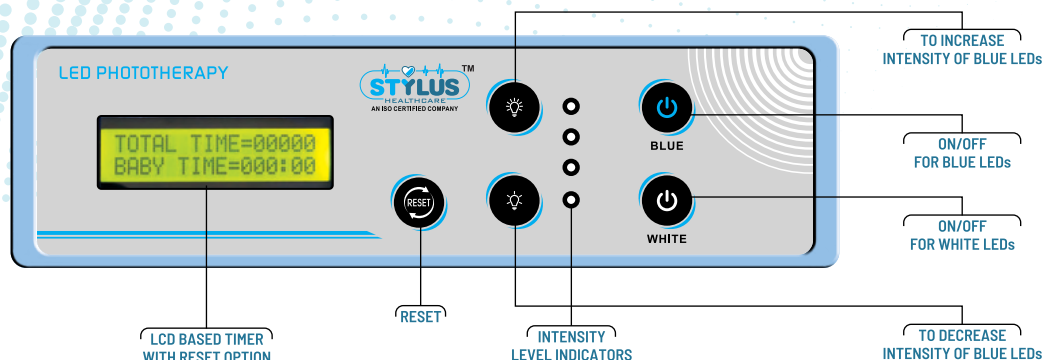

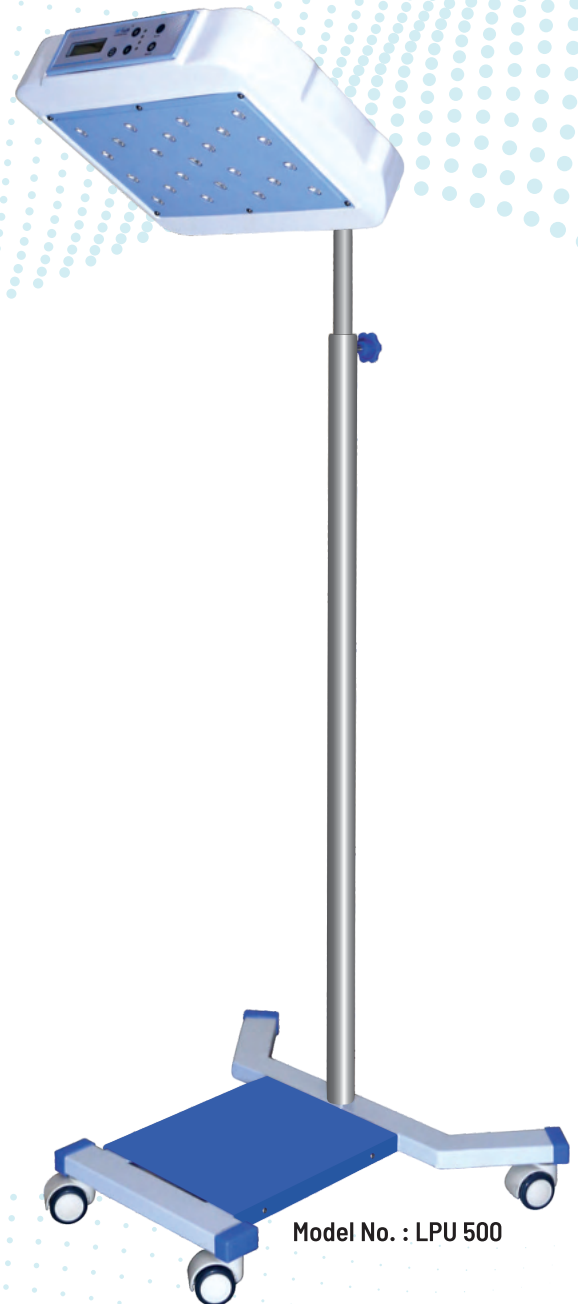

Observation Lamp

7 Observation white LEDs provide enough light to observe the colour of baby's skin

Advance Touch Panel

STYLUS has developed new & unique featured touch panel for STYLIGHT LED phototherapy unit with dual timer in hours for lamp time & patient time.

STYLIGHT

LED PHOTOTHERAPY UNIT

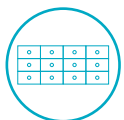

LPU 300

STYLUS HEALTHCARE's LED Phototherapy unit provide intense blue light for effective treatments of neonatal hyperbilirubinemia.

Light Source

Therapeutic high wattage blue LEDs 16 No. having wavelength of 455nm to 465nm. Life of lamps rated to last up to 40000 hours.

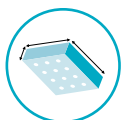

Effective Surface Area

Effective surface area is 50cm x 30cm (At recommended treatment distance of 45cm) Effective Irradiance is $> 30 \mu\text{W}/\text{cm}^2/\text{nm}$

Height Adjustability

Over surface phototherapy unit have height adjustment of up to 50cm.

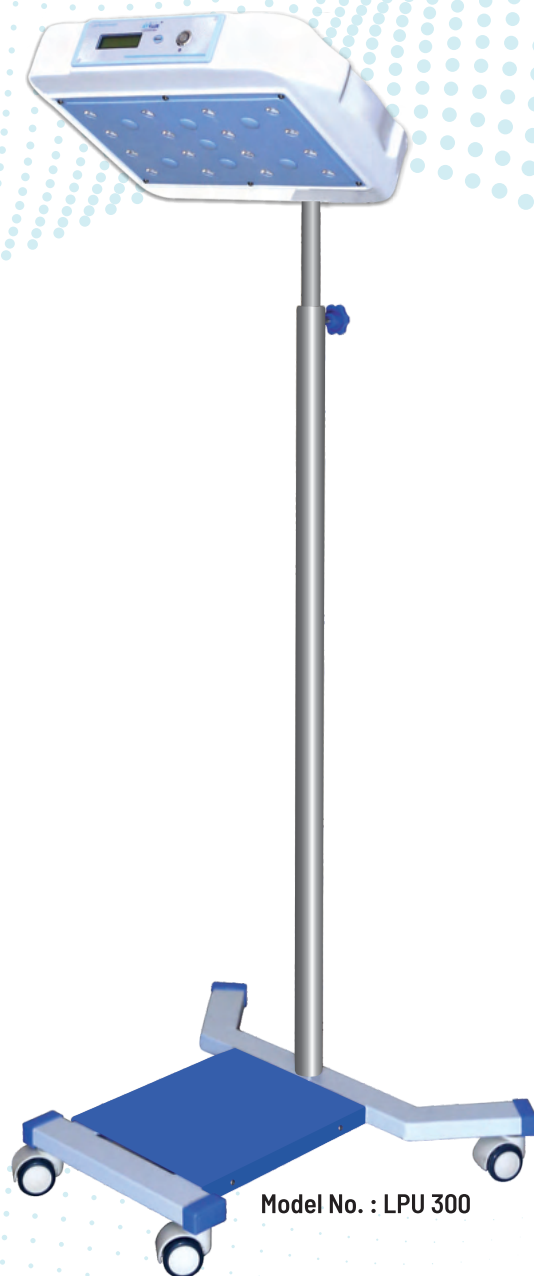

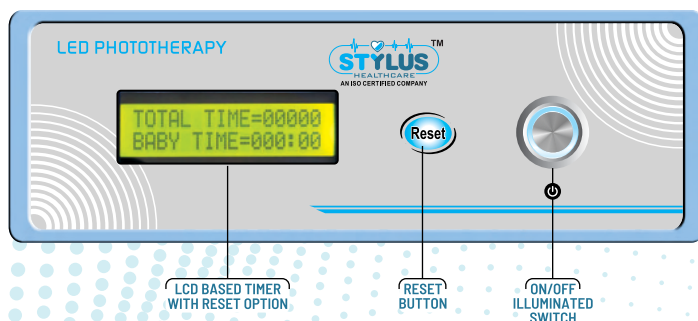

Dimensions

Lamp unit dimension is 46x31x7.5cm come with heavy duty mobile stand mounted on 4 castor wheel (with Brake 2 Nos)

LCD Based Timer

Dual LCD based timer in hours for lamp time and patient time with reset option and On / Off illuminated switch.

Model No. : LPU 300

Power Saving

Stylight LPU 500 operating at just 30 Watt & LPU 300 operating at just 20 Watt. It is saving more than 80% power than other normal CFL & tube light phototherapy, they used normally 120W power.

STYLIGHT

DOUBLE SURFACE LED PHOTOTHERAPY UNIT

LPU 500 + LPU 300

Over Surface LED Phototherapy unit has 16 Therapeutic high wattage blue LEDs & 7 White LED for observation, with advanced digital touch panel for operating unit and dual LCD based timer in hours for lamp time and patient time with reset option.

Undersurface LED Phototherapy unit has 16 Therapeutic high wattage Blue LEDs, with dual LCD based timer in hours for lamp time and patient time with reset option and On / Off illuminated switch.

LPU 300 + 300

Over Surface LED Phototherapy unit has 16 Therapeutic high wattage blue LEDs, with dual LCD based timer in hours for lamp time and patient time with reset option and On / Off illuminated switch.

Undersurface LED Phototherapy unit has 16 Therapeutic high wattage Blue LEDs, with dual LCD based timer in hours for lamp time and patient time with reset option and On / Off illuminated switch.

NO IR Radiation

STYLIGHT LED Phototherapy is totally cool therapy and does not generate heat. It does not emit light in Infrared range thereby reducing the risk fluid loss.

NO Ultraviolet Radiation

STYLIGHT LED Phototherapy does not emit light in the Ultraviolet (UV) Range thereby reducing the risk of skin and eye damage.

OTHER PRODUCTS

Patient Monitor PM-500

PRODUCT DESCRIPTION

- ◆ 12.1" High Resolution Colour Display
- ◆ Adult, Pediatric & Neonatal Monitoring
- ◆ Full Disclosure to View Beat to Beat ECG Waveform
- ◆ Big Font Display to view from Distance
- ◆ Oxy CRG Display for Neonatal Monitoring
- ◆ Drug Dose Calculation and Titration Table
- ◆ Maximum 96-hours Graphic and Tabular Trends of all Parameters
- ◆ Three Level Colour Coded Audio-Visual Alarms
- ◆ Up-to 2 Hours Working Capacity of Built-in Re-Chargable Battery
- ◆ Standard Configuration : ECG, RESP, NIBP, SpO2 & TEMP, PR/HR
- ◆ Optional Function : IBP, ETCO2 (Capnography) and Thermal Printer

Syringe Pump SH-500

PRODUCT FEATURE

- ◆ History records
- ◆ Unique intelligent self-recognition technology of syringes
- ◆ KVO, Bolus and Anti-bolus
- ◆ Applicable for 5,10,20,30,50(60) ml syringes
- ◆ Compatible for various brands of syringes
- ◆ Various infusion modes to meet different clinical requirements
- ◆ Various visual and audible alarms
- ◆ Large colorful LCD screen
- ◆ Real time display, ensure the infusion information to be recorded
- ◆ 3 adjustable occlusion levels, dynamically display the pressure
- ◆ Double CPU ensuring safe infusion

Infant Bubble CPAP

Stylus Healthcare Bubble CPAP unit is full featured NICU equipment to meet neonatal critical care requirements for New-born baby those with spontaneous breathing infants requiring respiratory support. It is a complete system providing perfect delivery of FIO2 with inbuilt Air / Oxygen Blender, Bubble generator with pressure manifold, heated breathing circuit and inbuilt medical grade Air compressor.

*Accessories shown in the image may not be part of the standard equipment

Weighing Scale

PRODUCT FEATURE

- ◆ Digital Monitoring Device
- ◆ Infant Weigh Bed up to 10kg
- ◆ Unique Digital Weighing Solution for Infant

INFANT RADIANT WARMER MODELS

- ▶ Stywarm SH-P100 Infant Warmer
- ▶ Stywarm SH-F300 Infant Warmer
- ▶ Stywarm SH-D300 Infant Warmer
- ▶ Stywarm SH-F100 Infant Warmer
- ▶ Stywarm SH-D100 Infant Warmer
- ▶ Stywarm SH-W100 Infant Warmer

NOTE : MODEL SH-P100, SH-F300 & SH-F100 ARE WITH FIXED TROLLEY,
SH-D300 & SH-D100 ARE WITH DETACHABLE TROLLEY AND SH-W100 IS WALL MOUNT UNIT

LED PHOTOTHERAPY MODELS

- ▶ Stylight LPU 500 Phototherapy Unit from Above
- ▶ Stylight LPU 300 Phototherapy Unit from Above
- ▶ Stylight LPU 500 + LPU 300 Double Surface Phototherapy Unit
- ▶ Stylight LPU 300 + LPU 300 Double Surface Phototherapy Unit

NOTE : DOUBLE SURFACE LED PHOTOTHERAPY UNIT IS AVAILABLE WITH DETACHABLE TROLLEY
